

ASSEMBLY BILL

No. 905

Introduced by Assembly Member Ting

February 22, 2013

An act relating to energy.

LEGISLATIVE COUNSEL'S DIGEST

AB 905, as introduced, Ting. Energy: energy efficiency programs: financing.

Existing law establishes various energy efficiency programs to assist public and private entities to implement energy efficiency projects to reduce the consumption of energy.

This bill would state the intent of the Legislature to enact legislation to provide an efficient financing mechanism for commercial property owners to make improvements to reduce the consumption of energy and natural resources.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of the Legislature to enact
- 2 legislation to provide an efficient financing mechanism for
- 3 commercial property owners to make improvements to reduce the
- 4 consumption of energy and natural resources.
